SUBJECT:

FY 1988 Production Enhancement Initiative Review [REDACTED]

25X1

1. The IPC Staff recently conducted a review of 32 Production Enhancement Initiatives (PEIs) submitted by your organization as well as State, CIA, NSA, Navy, Army, and the National Intelligence Council. The Staff requested various organizations in the Intelligence Community to evaluate the originality of the proposals, their usefulness to the Community, and the likelihood that the projects could be successfully completed. [REDACTED]

2. Upon receiving the responses, the IPC Staff reviewed them and selected several PEIs to recommend to the Intelligence Producers Council for FY 1988 funding. The criteria for selection are based on guidance from the DCI, which states, in part, that PEIs should "offer new innovative and speculative ways to improve the quality of intelligence production by improving the analytic process." [REDACTED]

3. Your PEI, [REDACTED] was not recommended for funding. If you wish to recast and resubmit, the IPC Staff will reevaluate your PEI for the 20 April IPC meeting. However, your PEI must be returned to this office by close of business 4 April 1988. We recommend you consider the reviewers' comments prior to resubmission. [REDACTED]
